What is your kind of vacation? Perhaps it is **a relaxing day spent sprawled out on the beach** under a shady umbrella with the sound of the waves, a good book and drinks in the cooler. Or maybe it is a day spent serenely paddling your kayak on the warm waters of the sound followed by **a soothing soak in the hot tub**. How about **circling the deck chairs under starry skies** with best friends after vibrant mealtime conversation over **fresh seafood prepared in a gourmet kitchen?**

Whether you envision vacationing in an extravagant oceanfront estate, a quiet soundside retreat, or somewhere in between, Surf or Sound Realty has the perfect home to accommodate your kind of vacation.

"We had an absolutely fantastic stay. The home was large and comfortable. Great amenities throughout. The hot tub and outdoor decks were a big bonus, along with the unforgettable views and sounds offered by the dunes and surf. Loved the top floor master suite! Highly recommended and a great value."
