From its top, you'll soak in the 75 mile panoramic views of Hickory Nut Gorge and Lake Lure.

Chimney Rock Village

Just outside the entrance to Chimney Rock Park is the small village of Chimney Rock featuring over 30 stores and restaurants for you to enjoy. Many guests also enjoy walking along the Rocky Broad Riverwalk which follows the Rocky Broad River through the village.

The Biltmore Estate & Winery

A visit to America's largest home in nearby Asheville is a guest favorite experience throughout the year. If your plans call for a trip to the Biltmore Estate & Winery you may purchase advance tickets at the Wellness Center.

Biltmore Village

Biltmore Village, located across from the entrance to Biltmore Estate, is home to more than 40 shops (*mostly local with some national retailers like Brooks Brothers, Chicos, White House Black Market and Williams-Sonoma*) and 10 cafes and restaurants in Asheville. Tree-lined streets, brick sidewalks and period architecture (*including the Cathedral of All Souls*) make the area a delight to stroll through and explore.

Lake Lure Flowering Bridge

Tucked between Lake Lure and Chimney Rock Village, the Lake Lure Flowering Bridge blooms on the historic 1925 Rocky Broad River bridge in Lake Lure. With an emphasis on native plants the gardens create a "Gateway to Somewhere Beautiful" for the enjoyment of the public.

Downtown Asheville A day trip to downtown Asheville with its art galleries, historic architecture, micro breweries, terrific shopping and dining is highly recommended for guests who want to explore our beautiful mountain home.

Blue Ridge Parkway

America's favorite road, the Blue Ridge Parkway, is a must see local attraction. With incredible mountain vistas, a day trip on the parkway will delight everyone in your family.

Area Hiking Trails

Lake Lure and the surrounding areas are known for amazing hiking and biking trails. We offer direct access to Buffalo Creek Park Trail via our private trailhead located at the north end of West Lake Drive.
